*EarthShare Celebrates New Jersey
Celebrate the Beauty and Bounty of NJ*

January 14, 2015

Dear friend of our environment,

As EarthShare NJ (ESNJ) approaches its 21th year of supporting leading environmental organizations and environmentally conscious employers, we have set aside a special evening to recognize all that has been accomplished. ESNJ helps to protect our land, water, air and wildlife; making our state a healthier place to live, work and play.

When the local 501(c)3 members established ESNJ in 1994, there was only a dream. ESNJ has made that dream a reality! Through our efforts, our local and national members have received over 5.3 million dollars in funding to continue their important work on behalf of our environment.

We invite you to be part of ***EarthShare Celebrates New Jersey***. At this annual celebration, we recognize the accomplishments of EarthShare New Jersey, our partners and environmental leaders. The celebration will be hosted at ***The Grounds for Sculpture*** in Hamilton, NJ on ***Friday, April 17, 2015***. **Start your Earth Week celebrations with us!**

Our celebration features a "Beauty and Bounty of New Jersey" photo competition, music by Stringzville, and Experience NJ Auctions. Restaurants from across the state will provide "*tastes*" of NJ's local harvests. The Silent and Chance Auctions are greatly anticipated by our guests. Items include tickets to events, merchandise from prominent businesses, weekend get-a-ways, exclusive environmental experiences/excursions and more. Auction proceeds enable ESNJ to continue working for NJ's environmental organizations.

Would you be kind enough to consider making a donation to our event? With your support, we can make this a truly spectacular celebration. All donors will be highlighted at the auction, in the celebration program and on the ESNJ website.

Your support will help continue a legacy of "green" efforts to improve the quality of life of New Jersey citizens.

I welcome the opportunity to speak with you about ESNJ and how we can partner to help our environment. Please contact me with any questions you may have regarding the celebration. I look forward to hearing from you.

Thank you for your consideration,

Paula-Jeanne Aldarelli
