Sponsorship Package

EarthShare

Celebrates

New Jersey

Friday, June 12, 2026

Patterson Family Barn, Freehold NJ

6 - 10 pm

We are excited to invite you to the 19th annual EarthShare Celebrates New Jersey reception, a true celebration honoring businesses and individuals that have made a difference in our environment. The evening features a buffet dinner, select spirits, various auctions, and a wide variety of guests from across the state who share a passion for our natural spaces.

EarthShare Celebrates New Jersey brings together businesses, nonprofits and individuals that share a commitment to protecting and preserving clean water, open space, fresh air, and wildlife habitat across the Garden State. Please consider joining us as a sponsor for the Celebration as we recognize those working for our health, and that of our environment through New Jersey and beyond.

EarthShare New Jersey has been making the state a cleaner, greener and healthier place to live, work and play for over 31 years. Founded by environmental nonprofits in 1994, we supported 26 nonprofit partners with funding, volunteer and education opportunities throughout 2025.

Your generous support of this Celebration helps us to honor those making a difference and advance our work everyday. The work completed in 2025 included:

- Coordination of volunteer experiences for over 800 individuals
- Leading online education programs (Lunch Time Bites) for over 300
- Hosting free Earth Care Day program for over 1000 guests with 24 exhibitors and 4 guided environmental walks
- Established the Environmental Equity Project site and Environmental Equity Today quarterly webinar
- Launched Wheels for STEM and provided transportation for students to 5 environmental field trips.

The Sponsorship package with information about a variety of levels provides options for you to consider. If you have any questions or would like to discuss other opportunities, please reach out to me at 908-872-3400 or email [PAldarelli@EarthShareNJ.org](mailto:PAldarelli@EarthShareNJ.org).

Thank you for your commitment to our environment and considering this opportunity to support recognition of environmental leadership in New Jersey.
